# Learning Management Solution
(LMS)

BROCHURE

Learning management solution for **futuristic academics**

Adding value to your educational ecosystem with managed services

NSEIT DEX provides a future-ready, technologically integrated platform that leverages advanced digital tools with impactful learning and outcome-based results. We are a leading partner for EdTech and digital examination services.
Our solutions include a suite of service offerings that will enable students and educators of higher education institutions to achieve academic excellence through digital transformation.
Our joint objective is to help universities and educational institutes adapt to global standards swiftly and efficiently.

Our solution - learning management solution (LMS)

Our offering is an open-source, secure, and cloud-based solution that brings admissions, academics, examination, administrative, and other institutional activities under one umbrella. Our Learning Management Solution (LMS) can seamlessly deploy even on low internet bandwidth and can be integrated with Zoom, Microsoft Teams, and Google Meet. The futuristic mobile-first NSEIT DEX LMS supports virtual, blended, hybrid, and classroom training modes.
The solution is delivered in a managed services model and comes with a host of value-added services, such as:

- One comprehensive Android & iOS app for all needs
- Student choice-based enrolment
- Inbuilt LMS enabling academic governance
- Built for the mobile
- Natively built for outcome-based education
- Holistic and automated student recruitment
- End-to-end management of student lifecycle

Why **NSEIT DEX?**

NSEIT DEX is an EdTech solution provider and an integrated digital assessment service provider. We enable educational institutions, government organizations, and corporates to nurture the next-gen workforce. At DEX, our mission is to deliver job-relevant upskilling programs for students and professionals by leveraging our expertise as IT practitioners in digital transformation, software development, extensive infrastructure management, cybersecurity, and cloud services. We are empaneled with various academic institutions (2000+) and corporate partners. Together, we help organizations assess their future talent by conducting online assessments across 229 online test centers. DEX owns and runs India's largest network of test centers that are ISO 9001:2015 certified and can deliver a capacity of approximately 10 million+ exams every year.

About **NSEIT**

NSEIT Limited is a digital native technology company that engineers world-class solutions to help our global customers accelerate their digital transformation journeys. Our key service pillars are Application Modernization, Business Transformation, Data Analytics, Infrastructure and Cloud Services, and Cybersecurity, through which we create intuitive digital experiences and tangible business impact. We also nurture the next-gen workforce with our EdTech solutions and integrated digital assessment services. For over two decades, our innate drive for excellence has made us the partner of choice for global organizations. At NSEIT, we fuel digital progress.
